Date	Title	Details	Registration
October 25, 11:00am ET	Renovation, Repair and Painting Rule-Contractors	HUD, EPA and USDA sponsored webinar will provide an overview of the Rule for contractors and provide information on how contractors may enroll in training courses to become lead-safe certified to work on homes to protect children.	https://attendee.gotowebinar.com/register/8506533754638461455
October 25, 2:15pm ET	A New Day Has Come: One Coalition's Approach to Transforming Policies, Systems, and Community Investments to Prevent Lead Exposure At-Scale	HUD OLHCHH and USDA sponsored panel will provide unique perspectives on the 500+ member Lead Safe Cleveland Coalition, the recently 3 launched proactive Lead Safe Certification rental inspection program, and the \$99.4 million Lead Safe Home Fund used to create lead safe housing in Cleveland, Ohio. The Cleveland experience offers a model for replication across the nation.	https://attendee.gotowebinar.com/register/915294370240484623
October 26, 11:00am ET	Launching a New State Lead Exposure Prevention Program	Virginia has a wide variety of rural, suburban, and urban housing conditions, as well as diverse, multicultural populations. Insights will be shared about the formative stages, including the development and roles of stakeholder engagement/collaborations, and much more. Notably, the "start-up" effort has been achieved in the context of the ongoing pandemic. Register for this HUD OLHCHH and USDA webinar.	https://attendee.gotowebinar.com/register/6041253862815994127
October 26, 2:15pm ET	Creative Uses of SCHIP Funds in Tackling Lead Poisoning Prevention- A Close Up from Michigan and Ohio	This HUD OLHCHH and USDA webinar highlights how the presenters' respective departments receive funds and the ways they braid this funding with the Lead Hazard Control grant funds. Currently, there are five States that use these types of funds, with another in the process of obtaining a state plan amendment. This webinar is intended to increase awareness of this dynamic approach, with an overall goal of increasing the number of states adopting it.	https://attendee.gotowebinar.com/register/6145078546803679503
October 26, 3:00pm ET	NLPPW Twitter Chat	NCHH will host a Twitter Chat (#NLPPWchat) in support of National Lead Poisoning Prevention Week (#NLPPW2021) to spread awareness and take action on lead poisoning prevention and response policies.	https://t.co/CuuRk8luUw?amp=1
October 27, 1:30pm ET	Successful Outreach to Spanish Speaking Audiences.	The HUD OLHCHH and USDA webinar will spotlight individual products and outreach conducted in the Salt Lake City area. Lessons and valuable experiences learned about different outreach techniques, and what might be replicated in other communities; will be highlighted.	https://attendee.gotowebinar.com/register/3979695949015177487
October 28, 2:00pm ET	Childhood Lead Exposure in the United States: CDC's Role in Prevention, Education, and Surveillance	Learn more about preventing childhood lead exposure by joining the Environmental Health Nexus Webinar on Lead.	https://www.zoomgov.com/webinar/register/WN_pV4XkcWNRIW11zFVfNNuhw
